

## **LEHMAN LOBO ATHLETIC BOOSTER CLUB NEWS**

### **SEPTEMBER 2009**

**Lehman Lobo Athletic Booster Club Members,**

**As our students and athletes approach the end of their first six weeks of school, we all have a lot to be proud of. Our Lehman Lobo football team is off to a record start with a 4 and 1 record as they take a by week to prepare for their first district game against Manor. Though they suffered a tough loss, 23 - 22 last Friday night against Gonzales, they have put up great scores against tough opponents, but most impressively, a strong win at Homecoming against Lanier. I think there was a record turn out for fan support to help drive our team to victory. And with that said, there were also record sales in merchandise that night by Nora and Daniel Robles. The merchandise table is located directly in front of the gate as you enter Shelton Stadium and is usually worked until shortly after the start of the third quarter but with the large turn out of fans and the dedication of our Vice President Nora Robles and her husband and Lobo Club Member Daniel Robles, they stayed until game's end to reach those record sales. Kudos to you, Robles Family!! We can always use more volunteers to help sale this merchandise. Remember, all the money earned goes back to our Athletic Department.**

**While our football team is fighting on the field, we must not forget our Lady Lobos battling on the court. With our Volleyball Team still searching for that big victory, there are still a lot of games left in the season. These young ladies work hard every day to improve their skills and to strive for success. Games are held on Tuesday and Friday nights in the Lehman High School gyms. Lobo Club Officers are always there to operate the concessions as well as show their support. Please offer a hand both in the gym and at the concession stand. You are always welcome.**

**In other news, we have our Tennis Team! This team can not be over looked, playing both fall and spring semesters. In the fall semester they compete in doubles tournaments and in the spring they compete in singles. This team is and has been in the past, ranked in the state. With these young athletes committed to excellence, each match is always an exciting event. School Board funding has recently added lights to the courts for the team to practice and play late into the evening. Unfortunately, there is not a concession stand, restroom or drinking fountain near the tennis courts. But with the dedicated support of one of our newest members and tennis mom Becky Vera, a small concession table is now available at the home matches. The money earned from these sales goes directly back to the tennis team. This team does not receive much funding from the district and is in need of new equipment such as tennis balls. We would also love to see them in actual uniforms. Thank you Becky for all you do!! Please offer her a hand any chance you get.**

**Our Cross Country Track Team has been competing very well this year. They competed in the UTSA Invitational on Saturday September 20 with the girls placing 13<sup>th</sup> out of 27 teams and the boys placing 4<sup>th</sup> overall. Their next event will be held Saturday October 3 at Gary Job Corps in San Marcos starting at 9am. If you are available that day, make that short drive and cheer them on. Our Lobo Boys x-country is ranked 7<sup>th</sup> in the state. All the more reason to be proud!**

**Our swim team will be competing in their first meet Friday October 9 in the AISD Invitational at UT Swim Center in Austin. If you are unable to attend this event or any other event, always let our athletes know we are proud and supportive.**

**As you all should know, our booster club competed in a sales competition at the Champion sports store at the Tanger Outlet in San Marcos. Unfortunately San Marcos High School had the highest turn out for sales but we will still receive 10% of the purchases made by any one supporting Lehman High School. We are still waiting for the results. Thanks to all that participated.**

**Remember our meetings are held on the 1<sup>st</sup> Mondays of each month in the Wisdom room at the school. Please make an effort to attend. Your voice, your opinion and your concerns are always heard and appreciated. Our next meeting will be held on Monday October 5<sup>th</sup>, at 6:30pm. Check our web site for all sporting event updates and schedules at [www.loboclub.org](http://www.loboclub.org). Thanks for all you do in supporting our coaching staff and especially our athletes. Our support now will inspire success in the future.**

**GO LOBOS!!!!!!!!!!**

**Nick Martell**

**President**
